

SOUTHSIDE SPEEDWAY

2009 Tire Rules

Modified Division

Must purchase 4 tires opening night.

Can purchase 2 tires each subsequent race night.

Tires must be run the night of purchase.

Tires will be impounded until time trials or heat races.

Must leave 2 and may leave 4 tires at the end the event.

Tires left with the track will be impounded and marked and must be run the next time the competitor returns. If 4 tires are left you cannot purchase any for the next event. If 2 tires are left you can only purchase 2 for the next event.

All tires are subject to durometer testing at any time.

There will be no sharing/exchanging/swapping of tires between cars without permission of track officials.

No tires can be altered with any chemical (powder, liquid or gas).

Wheels must be marked with car number and division on each wheel.

Tires being left at track must be brought to the tire shed within 15 minutes of the checkered flag of the event.

Late Model Sportsman Division
